Dear Parent/Guardian,

On the reverse side, you will find information for the Excelsior Scholarship being offered through New York State. Please read through this very important information regarding free college tuition, as the window to access the scholarship will start June 7 and end July 21. Although the college your child will be attending is your best resource for questions or additional information, the SHS school counseling staff is available for questions you may have as you navigate through this process.

Please visit www.hesc.ny.gov for further information.

Sincerely,

SHS School Counseling Team
